LAWN TENNIS, GOLFORR'S ROOKIES
WIN GAME 4 TO 2

PORTERVILLE, Cal., March 25.—Bill Orr's rookies took the measure of the Porterville Orange Pickers this afternoon by a score of 4 to 2. It was a pitchers' contest, with the honors going to Dubuc and Hughes, who were on the hill for the locals, and who held the Rookies to four hits.

The Bee recruits won the game in the eighth inning. Three hits netted them two runs to add to the single run made on error in the third and another of the same variety in the fifth.

MCGRAW WILL
RECEIVE \$50,000

SAN ANTONIO, Tex., March 25.—President Hempstead of the New York National league baseball club announced here today that Manager John J. McGraw has signed a five-year contract calling for a salary of \$50,000 a year. Hempstead said:

"McGraw is said to be the highest priced man in baseball, and he deserves to be. He has been with the Giants since 1902, and we hope to have him with the club so long as he remains in baseball."

SPOKANE LOSES
TO PORTLAND BY SALT LAKE

MARYSVILLE, Cal., March 25.—Outfielder Billy Southworth was sold to the Pittsburgh Nationals by Manager McCredie today. The Beavers will receive an outfielder and a pitcher in exchange for Southworth.

Pitcher Leake signed his contract and was wired transportation to Salt Lake. Pitcher Pruitt and infielder Trede have been released.

Ralph Penelli returned to Marysville with a release from Salt Lake and Manager McCredie immediately resigned him. Penelli made some of the greatest fielding stunts displayed by the Beavers on the islands, and he is expected to be the regular third sacker.

Portland beat Spokane Northwestern league team here today, 14 to 3. Outfielder Frank knocked in five of the runs with a double and a single, while Siglin and Stumpf each collected three bingles.

Only one hit was made off Brenton in five innings. R. H. E. Portland 14 18 2. Spokane 3 6 6. Batteries—Brenton, Penner and Fisher; Marshall, Canozzi, Bloomfield, Glavich and Graham.

COMING MATCH HAS
ATTRACTED THE
OUTSIDE FANS

The biggest crowd assembled to witness a lightweight boxing match in the state this year, will fill the Alhambra theater on the night of April 6, when Johnny Dundee battles Al Young, according to estimates based on the advance sale of seats for the coming match.

The box office at the theater opened Friday, and already approximately one-third of the reservations have been made. Sportsmen are coming from points as far distant as Denver to witness the match, according to telegrams received by Eddie Dallas, who is promoting the affair.

At Fresno, Cal., officials of the Machinists' Union announce that practically every machine shop and garage in that vicinity is now on an eight-hour basis.

TULARE WALLOPED
BY SALT LAKE

'Rube' Evans Pitches Big League Ball for Bees—Score Is 18 to 0.

TULARE, Cal., March 25.—"Rube" Evans pitched big league ball this afternoon for the Bees, holding the Tulare Merchants to two scratch hits. His teammates, on the other hand, bombarded "Dusty" Miller, late of the Coast league, for thirteen hits and ten runs, and later gave Schinkel a touch of the same when he went in for the last three innings, adding eight more bingles and as many scores. The final score was 18 to 0.

Every man on the Bee team hit except Hannah. Tobin, who has been leading the batting in exhibition games by a wide margin, secured three singles, a two-bagger and a triple, and "Rube" Evans lifted one over the center field fence for a round trip of the bases.

Evans had everything in the book. In the sixth inning he pitched three balls, which were lobbed into the infield and in the following frame threw but four. Only twenty-eight legal times at bat are recorded against him for the nine innings.

Glavich was charged with a boot on a failure to field a speedy grounder. Carpenter also figured in the error column on a sharp infield grounder, which took a bad bound at the base line.

The Bees practically won the game in the third frame when they secured five hits, two for extra bases, and these, with an error in left field, netted them five runs. The first, fourth and ninth were the only innings in which the Bees failed to score.

Weather conditions were ideal for hard work and a large crowd witnessed the contest.

TIGERS GET LOTS
OF REAL REVENGE

LOS ANGELES, March 25.—The Vernon Tigers flivvered over to Pasadena today and took the Pasadena club into camp to a score of 25 to 2. A week ago the Pasadena team unexpectedly defeated the Tigers and today they went back hunting revenge. They got it in large quantities.

The Tigers pitched Chief Johnson for five innings and he showed the best form of the training season. He allowed only two hits and was succeeded in the box by Jack Quinn, who took the pivotal post when the Tigers were twenty-three runs to the good and therefore was not called on to extend himself.

The hits of the afternoon for the visitors included eight home runs, four triples and an aggregation of little ones. The home runs were all over the place, some of them outside of it. Levi Arkenberg, Pete Bagard and Cotherin all pitched for Pasadena and then a third baseman and a shortstop tried to halt the slaughter, but without success.

The Tigers showed fine hitting form and fielded and ran better than they have been doing. The fine weather was partly responsible and Stovall says the boys are all rounding into shape anyway.

The Angels enjoyed a day of rest today.

STANDARD CARRIERS
DEFEATED 49 TO 22

On Friday night at North Ogden the North Ogden basketball team defeated the Standard Carriers by the score of 49 to 22.

The lineup was as follows: North Ogden. Standard. T. Campbell. Edson Center. I. Campbell. Shreeve Right forward. Blackburn Left forward. Shupe. Wilson Right guard. Berrett. Lindsay, Jansen Left guard. Dean. Referee—Berrett. After the game the basketball players were guests of honor at a dance and luncheon.

Bushers With Indians Won't Be Given
Places on Regular Team This Year

Clark Dickerson (left) and Pete Allison.

Bushers with the Cleveland Indians this year are few in number and poor in quality. Among the better ones are Outfielder Pete Allison and Pitcher Clark Dickerson. Allison is likely to be retained as a sub. Although Dickerson won eleven straight games in the Dixie league last year it is likely that he will be farmed out at least another season before getting his chance in fast company.

TRACK SQUAD OF
OGDEN HIGH BUSY

The late arrival of spring finds the High school track and baseball squads tearing up the turf. The athletes have been out for several days and already the dopesters are giving the state championship in baseball to the local school, which it has had for the last three years. Among the men are several old stars, including Marshall, Dee and Falck.

The track squad is also showing up well and should land Ogden near the top in the state meet. The cold snap of the last week has not kept the "B. V. D." men from the cinder patch, where they have been running jumping and swinging the weights. Practically all of last year's team have reported this year.

In order to release more men for the war London taxicab companies have agreed to employ women as drivers.

It is proposed to raise a contingent of Canadian girl clerks for France to relieve men for the trenches.

Officers of the Texas State Federation of Labor have issued a call for the twentieth annual convention, to be held in Fort Worth beginning May 21.

GUISO IS CALLED
EQUAL OF LAJOIE

Louis Guiso.

Big of bone and muscle, moving in the field with the easy grace of Napoleon Lajoie and taking a long, free and easy swing at the bat like Lajoie, Louis Guiso, recruit with the Cleveland Indians, has led one conservative American leaguer to assert: "For a dozen years I've been waiting the day when another player of the Lajoie type would appear in the majors. Guiso is the one."

PROUDFIT ASPIRES
FOR GRAND PRIZE

Bob Proudfit is practically sure of the grand prize in the Weber club billiard tournament, although several men have a possible chance, but Proudfit has shown so much class that the cup is regarded as belonging to him. In yesterday's play Will Douglas defeated Jack Browning, and Warren Wattis defeated J. H. Johnson in a close game. The elimination of Johnson gives Wattis the championship of class C. C. Gage Rodman won the prize in class B, leaving class A the only disputed one, with Proudfit high man.

LADIES' BAND MAY BE
ORGANIZED FOR
THE BIG FAIR

Editor The Standard: Is the season closed for suggestions as to features for the exposition of 1917? If not, here is one which has been proposed and which ought to be in the money, if there is any premium offered for the best ideas.

It will be remembered that one of the big features of the last Fashion Show was the ladies' band from San Pete county. The first impression one had on hearing that a ladies' band would parade the streets was that there was something improper about it.

But the actual demonstration proved that the members of the organization were very attractive in their band uniforms and very lady-like in demeanor. And surely the hand that successfully rocks the cradle and wields the rolling pin is competent to thump the big bass drum. And the blowing of a cornet while walking down the street is fully as dignified as helping mamma hang out the weekly wash in the back yard.

What could be more of a drawing card than the fame of a big musical organization of this kind. In course

CHICAGO CUBS
LOSE TWO GAMES

Oaks Score in Both Games With Cubs Who Have Lost Series.

SAN FRANCISCO, Cal., March 25.—The Chicago Cubs were whipped twice today, at Oakland in the morning 3-2, and at Ewing field in the afternoon, 10-5.

They have therefore lost both series with the Oaks and Seals.

Big Bill Vaughn had worked like a big leaguer should in his other starts here, but no matter what he tawared up today it was hit right on the seam and the runs simply poured over the pan. Jim was sent in to save the game when the Cubs had a one-run lead, for Manager Mitchell wanted to take at least one game played today home with him. But as a game saver big Jim was a dismal failure.

Olaf Erickson started the game for the Seals, and he was as wild as a logger from the seat of Washington, hitting his first wet spot in California. The sixth inning decided the issue in the morning game, when Del Howard's men chased over all their runs with Demaree gracing the mound. At that, it wasn't Demaree's fault, as Charley Deal pulled two glaring errors on grounders to third that loaded up the bases and made it possible for Middleton to jam in a hit in the pinch.

The scores: R. H. E. Chicago 2 7 2. Oakland 3 5 0. Batteries—Douglas, Demaree and Elliott; Burns, Pruitt and Murray.

R. H. E. Chicago 5 9 2. San Francisco 10 14 0. Batteries—Aldridge, Vaughn, Packard and Wilson; Erickson, Oldham and Baker.

GRAND DUKE MICHAEL
ASKS CONSIDERATION

LONDON, March 25, 5:25 p. m.—The British, French and Italian ambassadors to Russia went today to the Marie palace, where the council of ministers was sitting, and paid their respects to the provisional government in behalf of their governments, says a Reuter dispatch from Petrograd. Grand Duke Alexander Michaelovitch has telegraphed Prince Lvoff, the premier, from Kiev, in behalf of himself and his wife, Grand Duchess Xenia, a sister of the former emperor and their family, intimating their readiness to support the new provisional government in every way.

of time tourists would stop asking each other, "Did you stop in Salt Lake to hear the pin drop?" and would ask, "Did you stop in Ogden to hear the ladies' band?"

And there is both abundant musical talent here and good leadership. That veteran band teacher, E. W. Nichols, who has so successfully trained the boys of the Industrial school, would make a great leader of a ladies' band. If started now, the band would be in readiness for public entertainment in time for the next Fashion Show, and by 1919 would be at the head of its class. (Signed) O. A. KENNEDY.

B. Y. C. CINDER
MEN ARE CALLED

Logan "Y" Will Turn Out Pretty Fast Squad of Track Men.

LOGAN, March 25.—Tomorrow will see the first official call for track and baseball men at the Brigham Young college and from the present outlook the Logan "Y" should turn out a fairly fast cinder squad, but the baseball prospect is not so bright and up to date Coach Knapp has not mentioned the diamond sport, although he will go to work on his nine with the same activity as has characterized his work in every branch of athletics.

The old tracksters who were out limbering up last week were Edwards, hurdles and broad jump; Dunn, weights and hurdles; Knowles, Nielson and Hughes, sprints; Haws, pole vault; Horne and Jacques, mile and half mile.

The new men who reported are Neely, Allen, McBride, Jeppson and Barlow. The work of Neely, Allen and McBride will be watched with particular interest, as these three men are expected to show up strong. Neely played on the "Y" basketball team this winter and was pronounced to be one of the fastest hoopers ever seen in action in Logan. His admirers say he can step a hundred in close to 10 flat. Allen took second in the cross-country last year and says he will be in prime shape for the distance runs when the state meets roll around. McBride set up a good record while in high school in the short distance races and the coach looks for a good showing from him in college.

'HELL MORGAN'S GIRL'
PLAYS MATINEE AT
ORPHEUM TOMORROW

"Hell Morgan's Girl" played to capacity business at the Orpheum last night and scored one of the biggest hits of any picture seen recently in Ogden. After seeing the picture you can readily understand why the authorities closed the famous and notorious Barbary Coast, with its dives of vice. The picture will play Tuesday matinee and night and Wednesday. Tonight is the big road show, "The Blue Paradise."—Advertisement.
